

INDIGENOUS MEAT CO

Capability Statement

Indigenous Meat Co incorporates healthy sustainable Native Australian ingredients and flavours into everyday life.

We acknowledge the **Traditional Owners** of country throughout Australia and continue our connections to the land, sea and our people.

We respect our Elders who have paved the pathway and will continue their dreams and aspirations with our actions.

About Us

Welcome to Indigenous Meat Co.
A proudly majority Indigenous owned Company Joint Venture.

We are dedicated to the national distribution of high quality, fresh and healthy meat based products, specialising in whole meat cuts, gourmet sausages, burger patties, meatballs, mince, diced meats and pastry products.

We have the capacity to process up to 50 Tonne of meat products per week.

We can assist in product and recipe development plus cost analysis for mass distribution.

Our service and turnaround time on orders is without peer and we are flexible to your needs.

OUR MISSION

To reliably deliver and create the highest quality and affordable meat based products for the benefit of all people and communities.

OUR VISION

We see food as a way to educate and celebrate the coming together of all people and communities. In doing this the world will come to understand Australian Indigenous culture through food and lifestyle.

OUR APPROACH

We are passionate about creating and innovating with Australian Native ingredients. We source 100% Australian premium meat to create affordable meal solutions for all Australians. We meet the highest food safety certification, which ensures the quality of all our products.

Service and on time delivery is a key pillar to the reliability of our business. We only employ culturally responsive and passionate people. We aspire for a world where Traditional Owners profit from the economic advantages of Country, where Aboriginal people have equal opportunity to reach their potential.

Our Core Values

Underpin everything we do

PERFORMANCE

We strive to deliver on time and the highest quality product, to achieve performance that speaks for itself. We are outcomes focused and help deliver to our customers needs.

INTEGRITY

We stay true to our values and carry ourselves with integrity. We value honest and open dialogue with our clients who uphold the same beliefs as ourselves.

TRUST

We understand that the best work is done through trusting relationships and ensure our products and services allow us to have your trust.

COMMUNITY

We understand the importance of family and community and their role in business. We look for opportunities to give back and develop relationships with the communities where we operate.

CELEBRATE

We value the wonderful Native produce our great country has to offer and want the world to experience that through our customers.
